State of California in and for the County of San Mateo (Case No. CV501205), to the

 6 make the payment due to Plaintiff under the Agreement. It again materially
 7 breached the Agreement when it failed to pay in full the 2010 payment by
 8 March 1, 2010. Plaintiff is informed and believes that Kerala will not make
 any future payments Plaintiff has been damaged in the amount of
 monies which are unpaid . . . and any monies and interest which are due
 and owing in the future but are unpaid."

9 (Complaint ¶ 8.) According to the agreement plaintiff attached to her complaint, those
 10 alleged payment obligations total \$170,000. (Complaint, Ex. A.)

11 Accordingly, this Court has diversity jurisdiction pursuant to 28 U.S.C. § 1332.
 12 Removal is therefore proper pursuant to 28 U.S.C. § 1441.

 14 receipt of a copy of the initial pleading setting forth the claim for relief upon which this
 15 action is based. All defendants consent to this removal.

16 The defendant is entitled to remove this case to the United States District Court for
 17 the Northern District of California. A copy of all process, pleadings, and orders served
 18 upon the defendants in the state court proceeding is attached as Exhibit A hereto.

INSTRUCTIONS ON HOW TO COMPLETE THE COVER SHEET

To Plaintiffs and Others Filing First Papers. If you are filing a first paper (for example, a complaint) in a civil case, you must complete and file, along with your first paper, the *Civil Case Cover Sheet* contained on page 1. This information will be used to compile statistics about the types and numbers of cases filed. You must complete items 1 through 6 on the sheet. In item 1, you must check one box for the case type that best describes the case. If the case fits both a general and a more specific type of case listed in item 1, check the more specific one. If the case has multiple causes of action, check the box that best indicates the primary cause of action. To assist you in completing the sheet, examples of the cases that belong under each case type in item 1 are provided below. A cover sheet must be filed only with your initial paper. Failure to file a cover sheet with the first paper filed in a civil case may subject a party, its counsel, or both to sanctions under rules 2.30 and 3.220 of the California Rules of Court.

To Parties in Rule 3.740 Collections Cases. A "collections case" under rule 3.740 is defined as an action for recovery of money owed in a sum stated to be certain that is not more than \$25,000, exclusive of interest and attorney's fees, arising from a transaction in which property, services, or money was acquired on credit. A collections case does not include an action seeking the following: (1) tort damages, (2) punitive damages, (3) recovery of real property, (4) recovery of personal property, or (5) a prejudgment writ of attachment. The identification of a case as a rule 3.740 collections case on this form means that it will be exempt from the general time-for-service requirements and case management rules, unless a defendant files a responsive pleading. A rule 3.740 collections case will be subject to the requirements for service and obtaining a judgment in rule 3.740.

To Parties in Complex Cases. In complex cases only, parties must also use the *Civil Case Cover Sheet* to designate whether the case is complex. If a plaintiff believes the case is complex under rule 3.400 of the California Rules of Court, this must be indicated by completing the appropriate boxes in items 1 and 2. If a plaintiff designates a case as complex, the cover sheet must be served with the complaint on all parties to the action. A defendant may file and serve no later than the time of its first appearance a joinder in the plaintiff's designation, a counter-designation that the case is not complex, or, if the plaintiff has made no designation, a designation that the case is complex.

1 **PARTIES**

2 1. Plaintiff Vijayanti Apte is a natural person whose principal place of residence is in
3 Los Gatos, California. Until on or about December 11, 2007, Plaintiff was the sole proprietor of
4 Ayurveda Institute of America (the "Business"), at which point she sold certain assets of the Business
5 through an Intangible Asset Purchase Agreement (the "Agreement"). The Business was located in
6 Foster City, California. The Agreement was negotiated in Foster City, entered into in Foster City,
7 and performance was to be made in Foster City.

8 2. Defendant Ayurvedic Academy Inc. d/b/a Kerala Ayurveda Academy ("Kerala") is a
9 Washington corporation with its principal place of business in Seattle, Washington. Kerala acquired
10 certain assets of the Business through the Agreement.

11 3. The true names and capacities, whether individual, corporate, associate or otherwise,
12 and the true involvement of defendants sued herein as DOES 1 through 5, inclusive, are unknown to
13 Plaintiff, who therefore sues said defendants by such fictitious names and will amend this Complaint
14 to show the true names, capacities and involvement when ascertained. Plaintiff is informed and
15 believes and thereon alleges that each of the defendants designated as a DOE is responsible in some
16 manner for the events and happenings herein referred to, and that Plaintiff's injuries and damages as
17 hereinafter set forth were proximately caused by said defendants.

18 **JURISDICTION AND VENUE**

19 4. Jurisdiction of this Court is founded upon Code of Civil Procedure section 410.10.

20 5. Venue is proper in San Mateo County pursuant to Code of Civil Procedure section
21 395.5. A substantial part of the events, acts, omissions and transactions complained of herein
22 occurred in San Mateo County.

23 **BACKGROUND FACTS**

24 6. On or about December 11, 2007, Plaintiff and Kerala entered into the Agreement, a
25 true and correct copy of which is attached hereto as **Exhibit 1**.

26 7. Through the Agreement, Plaintiff promised to transfer certain Intangible Assets,
27 Licenses, and Authorizations, all as defined in the Agreement, to Kerala. In exchange for which,
28 Kerala promised to make yearly payments to Plaintiff for a period of 5 years. As part of the

1 agreement, Kerala represented that it had and "will have available sufficient funds to enable it to
2 consummate the transactions contemplated by [the] Agreement." Plaintiff transferred all agreed-
3 upon Intangible Assets to Kerala. Summarily, through the Agreement, Kerala acquired:

- 4 a. Plaintiff's Ayurveda clinic in Foster City, which Kerala was going to own and run in
5 Foster City under the name Kerala Ayurveda Clinics;
- 6 b. Ayurveda Institute of America, owned by Plaintiff, with classes in various locations
7 throughout the United States.

8 8. Kerala first materially breached the Agreement on March 1, 2009 when it failed to
9 timely make the payment due to Plaintiff under the Agreement. It again materially breached the
10 Agreement when it failed to pay in full the 2010 payment by March 1, 2010. Plaintiff is informed
11 and believes that Kerala will not make any future payments, though it intends to retain the transferred
12 Intangible Assets. Plaintiff has been damaged in the amount of monies which are unpaid, and interest
13 thereon, and any monies and interest which are due and owing in the future but are unpaid.

14 **FIRST CAUSE OF ACTION**
15 **(BREACH OF INTANGIBLE ASSET PURCHASE AGREEMENT)**

16 9. Plaintiff hereby incorporates by reference paragraphs 1-9 as though fully set forth
17 herein.

18 10. Plaintiff and defendants entered into a written Intangible Asset Purchase Agreement
19 described above, by which Plaintiff agreed to transfer certain intellectual property in exchange for
20 agreed-upon terms.

21 11. Plaintiff performed all conditions, covenants, and promises to be performed on her
22 part with regard to the Intangible Asset Purchase Agreement or was legally excused from the
23 performance of such conditions, covenants or promises.

24 12. Defendant breached the Intangible Asset Purchase Agreement with Plaintiff.

25 13. As a result of the breaches, Plaintiff suffered economic losses of at least \$189,000, or
26 an amount subject to proof at trial, and other general, consequential, and specific damages.

27 Wherefore, Plaintiff prays for relief as set forth below.

28 ///

SECOND CAUSE OF ACTION
(BREACH OF THE IMPLIED COVENANT OF GOOD FAITH AND FAIR DEALING)

14. Plaintiff hereby incorporates by reference paragraphs 1-9 as though fully set forth herein.

15. Implied in the Intangible Asset Purchase Agreement, described above, was a covenant of good faith and fair dealing. The covenant of good faith and fair dealing obligated Kerala to perform the terms and conditions of the contracts fairly and in good faith, to refrain from doing any act that would prevent or impede Plaintiff from performing any or all conditions of the contract that she agreed to perform, or to engage in any acts that would deprive Plaintiff of the benefits of the contract.

16. Plaintiff performed all conditions, covenants, and promises to be performed on her part with regard to the Intangible Asset Purchase Agreement or was legally excused from the performance of such conditions, covenants or promises.

17. Kerala knew Plaintiff had fulfilled all her duties and conditions under the Intangible Asset Purchase Agreement.

18. Kerala breached the implied covenant of good faith and fair dealing under the Intangible Asset Purchase Agreement by engaging in the conduct complained of herein.

19. As a result of Kerala's bad-faith conduct toward Plaintiff and breach of the implied covenant of good faith and fair dealing, Plaintiff has suffered economic losses and other general, consequential and specific damages, according to proof.

WHEREFORE, plaintiff prays for relief as set forth below.

PRAYER

WHEREFORE, plaintiff prays for judgment as follows:

1. That the Court declare, adjudge, and decree that defendants breached the written contract with Plaintiff.
2. That the Court award damages to Plaintiff in an amount to be determined at trial.
3. That the Court award pre-judgment interest in an amount to be determined at trial.
4. That the Court award to Plaintiff her attorneys' fees and costs of suit.

5. That the Court grant such other relief as it deems proper.

4. Representations and Warranties of Seller. Seller represents and warrants to Buyer that the following statements are true and correct on the date hereof, and will be true and correct on the Closing Date as though made on such date:

4.1 Authorization, Binding Effect, and No Conflict. This Agreement has been duly and validly executed and delivered by Seller and constitutes the valid and binding obligation of Seller, enforceable in accordance with its terms, subject to (i) applicable bankruptcy, insolvency or other similar laws relating to creditors' rights generally, and (ii) general principles of equity. The execution, delivery and performance by Seller of this Agreement and the consummation by Seller of the transactions contemplated hereby will not violate any provision of law, rule or regulation to which Seller is subject, violate any order, judgment or decree applicable to Seller, or conflict with, or result in a breach or default under, any agreement or other instrument to which Seller is a party or by which Seller may be bound; except, in each case, for violations, conflicts, breaches or defaults which in the aggregate would not materially hinder or impair the consummation of the transactions contemplated hereby.

4.3 Consents and Approvals. Neither the execution of this Agreement nor the consummation of the sale of the Assets requires the approval or consent of any governmental authority having jurisdiction over the business of Seller nor of any party to any agreement with Seller.

4.4 Business Agreements. The identified Business Agreements listed on Exhibit 1 hereto constitute valid and binding obligations of Seller and are in full force and effect as of the date of this Agreement and, with the exception of those Business Agreements which will have been completed prior to the Closing Date according to their terms, will on the Closing Date constitute valid and binding obligations of Seller and be in full force and effect. Neither Seller nor any other party to such Business Agreements is in material default under any such agreements.

4.5 Intellectual Property Rights. Seller owns or has the right pursuant to license, sublicense, agreement or permission to use all intellectual property rights necessary for the operation of the Business as presently conducted and as presently proposed to be conducted. Seller has taken all reasonable action to protect each item of intellectual property that it owns or uses. To Seller's knowledge, Seller is not infringing upon, misappropriating, violating or otherwise acting adversely to the right of any other person under, or in respect to, any trade names, trademarks, patents, copyrights, personality rights or similar intangible rights, and the Seller has not received any charge, complaint, claim or notice of such an infringement, misappropriation, violation or adverse act. To the knowledge of the Seller, and the directors and officers of Seller, no third party has infringed upon, misappropriated, violated or otherwise acted adversely to the intellectual property rights.

4.8 Licenses and Authorizations. On the date hereof, the identified Licenses and Authorizations set forth in Exhibit 2 hereto are in full force and effect, and, to the knowledge of Seller, constitute all licenses, permits and authorizations from regulatory bodies which are required for the ownership and operation of the Purchased Assets and the Business.

4.9 Litigation. There are no actions, suits, claims, proceedings or investigations pending or, to the knowledge of Seller, threatened against Seller that would affect Seller's title or interest in any of the Purchased Assets. Seller has received no notice, and has no knowledge, that it is in default of any order, writ, injunction or decree of any court or federal, state, municipal or governmental department, commission, board, bureau, agency or instrumentality with respect to the ownership and operation of the Assets. To the best knowledge of Seller, Seller has complied in all material respects with all laws, regulations, franchises, licenses and orders applicable to the Assets.

4.10 Insurance. There is presently in force extended coverage casualty and liability insurance in respect to the Purchased Assets to be transferred and conveyed hereunder, and Seller will maintain or cause such insurance to be maintained in full force and effect until Closing. Seller has provided Buyer with copies of such policies and will cooperate with Buyer, if so requested, in arranging for transfer of insurance at Closing.

4.11 Employee Agreements. There are no collective bargaining agreements and no deferred compensation or profit-sharing plans or arrangements presently in force, or any other agreement with employees that would affect the transfer of Purchased Assets contemplated by this Agreement or requires Buyer to continue any employment or compensation arrangement with any person. Seller has no commitment to enter into any such agreements, or establish any such plans or arrangements, nor will it do so while this Agreement is in effect.

4.12 Disclosure. Neither this Agreement nor any of the Schedules or Exhibits annexed hereto contains any untrue statement of any material fact, or omits to state any material fact required to be stated in order to make the statements contained herein or therein not misleading.

4.13 Compliance With Laws. To Seller's knowledge, Seller is in compliance with all laws, rules, regulations and orders applicable to the Business (including, without limitation, those relating to environmental protection, occupational safety and health and equal opportunity employment practices), except where the failure to comply therewith does not have a material adverse effect on the financial condition of the Business.

5. Representations and Warranties of Buyer. Buyer represents and warrants to Seller that the following statements are true and correct on the date hereof and will be true and correct on the Closing Date as though made on such date:

5.1 Organization, Corporate Power and Authority. Buyer is a corporation duly organized, validly existing and in good standing under the laws of Washington, and has the requisite corporate power and authority to execute, deliver and perform this Agreement and to consummate the transactions contemplated hereby.

5.2 Authorization, Binding Effect and No Conflicts. This Agreement has been duly and validly executed and delivered by Buyer and constitutes the valid and binding obligation of Buyer, enforceable in accordance with its terms, subject to (i) applicable bankruptcy, insolvency or other similar laws relating to creditors' rights generally, and (ii) general principles of equity. The execution, delivery and performance by Seller of this Agreement and the consummation by Seller of the transactions contemplated hereby will not violate any provision of law, rule or regulation to which Seller is subject, violate any order, judgment or decree applicable to Seller, or conflict with, or result in a breach or default under, any term or condition of the Articles of Incorporation or the Bylaws of Seller, or any agreement or other instrument to which Seller is a party or by which Seller may be bound, except in each case, for violations, conflicts, breaches or defaults which in the aggregate would not materially hinder or impair the consummation of the transactions contemplated hereby.

5.3 Consents and Approvals. Neither the execution of this Agreement nor the consummation of the sale of the Assets requires the approval or consent of any governmental authority having jurisdiction over the business of Buyer nor of any party to any agreement with Buyer.

5.4 Availability of Funds. Buyer has available and will have available sufficient funds to enable it to consummate the transactions contemplated by this Agreement.

5.5 Litigation. There are no actions, suits, claims, proceedings or investigations pending or, to the knowledge of Buyer, threatened against Buyer that would affect Buyer's ability to perform under this Agreement.

6. Covenants of Seller:

6.1 Operation of the Business. Between the date of this Agreement and the Closing Date, except as contemplated by this Agreement, Seller will not, without the prior written consent of Buyer:

(a) Sell, assign, lease or otherwise transfer or dispose of any of the identified Intangible Assets; whether now owned or hereafter acquired.

(b) Cancel any customer or agency relationship, except in the usual and ordinary course of business; renegotiate, modify, amend or terminate any Business Agreement listed on Exhibit 1 or fail to comply with all of the terms and conditions of said Business Agreements and all Licenses and Authorizations.

6.2 Covenant Not to Compete. For a period of two (2) years following the last payment made as per Section 2.2, or for so long as Buyer is engaged in the Business, whichever is shorter, Seller shall not engage, whether directly or indirectly and whether or not for compensation, in any business or activity similar to the Business within 10 miles of the current location of the Business, without the written consent of Buyer. During this period, Seller shall not solicit the employment of any person, directly or indirectly, individually or on behalf of any third party, solicit the employment of any person who is at the time of the solicitation, or was at any time during the four (4) months prior to the solicitation, an employee of the Buyer. The Seller will also not solicit the business of any person or entity who was a customer of the Buyer during this period for purposes of selling to such customer products or services which compete with, or which are similar to, the products or services provided by the Buyer. The obligation of Seller described in the preceding sentence to refrain from engaging in the Business includes the obligation to refrain from participating as a partner or as a holder of any beneficial interest in any entity or activity engaged in the Business. Because the amount of damage which Buyer will suffer may be difficult or impossible to calculate (but may nevertheless be substantial) if Seller fails to observe this covenant not to compete, Buyer shall be entitled to injunctive relief or specific performance in the event of a breach of this covenant. The remedies provided Buyer by this Section 6.2, shall be in addition to any other remedies that may be available to Buyer in law or equity. Notwithstanding the foregoing, the parties agree that nothing herein shall prevent Seller from engaging in the business of producing and/or marketing food products prepared in accordance with, and marketed as, Ayurvedic principles.

7. Conditions Precedent to Closing:

7.1 Seller's Performance. The obligation of Seller to close on the Closing Date is subject to the fulfillment at or prior to such date of each of the following conditions (any one or more of which may be waived in whole or in part by Seller in writing):

(a) The representations and warranties of Buyer contained herein shall be true and correct in all material respects on the Closing Date with the same force and effect as though such representations and warranties had been made on and as of the Closing Date.

(b) Buyer shall have performed and complied with all material terms, covenants and conditions of this Agreement that are required to be performed or complied with by it on or before the Closing Date.

(c) No action, investigation, or proceeding shall have been instituted or threatened that would adversely affect the ability of Buyer to comply with the provisions of this Agreement.

(d) All actions, proceedings, instruments, signatures of Buyer, and documents required to execute this Agreement or incident thereto shall have been approved by counsel for Seller. Such approval shall not be unreasonably withheld.

(e) All governmental and other consents and approvals, if any, necessary to permit the consummation of the transactions contemplated by this Agreement shall have been received.

7.2 Buyer's Performance. The obligations of Buyer to close hereunder on the Closing Date are subject to the fulfillment at or prior such date of each of the following conditions (any one or more of which may be waived in whole or in part by it in writing):

(a) The representations and warranties of Seller contained herein shall be true and correct in all material respects on the Closing Date with the same force and effect as though such representations and warranties had been made on and as of the Closing Date.

(b) Seller shall have performed and complied with all material terms, covenants and conditions of this Agreement required to be performed or complied with by it on or before the Closing Date.

(c) No action or proceeding shall have been instituted or, to the knowledge of Seller, threatened that would adversely affect or relate materially to the Purchased Assets, or adversely affect the ability of Seller to comply with the provisions of this Agreement.

(d) Buyer's representative shall have verified that all Purchased Assets listed on Exhibits 1 and 2 are accounted for and available for delivery at Closing.

(e) All actions, proceedings, instruments, signatures of Seller, and documents required to execute this Agreement or incident thereto shall have been approved by counsel for Buyer. Such approval shall not be unreasonably withheld.

(f) All governmental and other consents and approvals, if any, necessary to permit the consummation of the transactions contemplated by this Agreement shall have been received.

8. Indemnification:

8.1 Assets to Be Conveyed Free of Liabilities or Encumbrances. Except for performance of the Business Agreements expressly assumed by Buyer hereunder, Buyer assumes no liabilities or obligations of Seller of any kind whatsoever, whether fixed or contingent and whether known or unknown, in connection with the Business and the Purchased Assets. At Closing, Seller shall convey to Buyer title to all of the Purchased Assets free and clear of all liens, charges, claims and encumbrances; and Seller shall, in accordance with Section 8.2 hereof, indemnify and hold Buyer harmless from any and all such liabilities, liens, charges, claims and encumbrances to which the Purchased Assets are or may become subject.

8.2 Indemnification of Buyer.

(a) Seller agrees to indemnify and hold Buyer, its successors and assigns, harmless from and against:

(1) Any and all claims, liabilities and obligations of every kind and description, contingent or otherwise, arising out of or related to the operation of the Business or to ownership of the Purchased Assets by Seller prior to the Closing. Such claims, liabilities and obligations include, but are not limited to, products liability claims, claims or liabilities arising out of the use or storage by Seller, any and all claims, liabilities and obligations arising or required to be performed prior to the Closing under any contract, agreement, lease or instrument assumed by Buyer, except for performance of those Business Agreements.

(2) Any and all damage or deficiency resulting from any misrepresentation, breach of warranty, or nonfulfillment of any agreement on the part of Seller under this Agreement, or from any misrepresentation in or omission from any certificate or other instrument furnished to Buyer pursuant to this Agreement or in connection with any of the transactions contemplated hereby.

(3) Any and all actions, suits, proceedings, damages, assessments, judgments, costs and expenses, including reasonable attorneys' fees incurred by Buyer as a result of Seller's failure or refusal to compromise or defend any claim incident to the foregoing provisions.

(b) If any claim or liability shall be asserted against Buyer which would give rise to a claim by Buyer against Seller for indemnification under the provisions of this section, Buyer shall promptly notify Seller in writing of the same, and Seller shall, at its own expense, compromise or defend any such claim; provided, however, that Buyer may, at its own cost and expense, join and cooperate with Seller in defending or compromising such claim.

(c) In the event Seller fails to indemnify Buyer as required under the terms of this Article 8, Buyer shall have the right to withhold any payment due until such time as Seller indemnifies Buyer or make other provisions satisfactory to Buyer for correction of any breach of this Agreement or disposition of any claim, lien, or other encumbrance giving rise to Seller's obligation to indemnify.

8.3 Indemnification of Seller.

(a) Buyer hereby agrees to indemnify and hold Seller and its successors and assigns harmless from and against:

(1) Any and all claims, liabilities and obligations of every kind and description, contingent or otherwise, arising from or related to the ownership of the Purchased Assets by Buyer subsequent to the Closing. Such claims, liabilities, and obligations include, but are not limited to, any and all claims, liabilities and obligations arising or required to be performed subsequent to Closing under any Business Agreement assumed by Buyer pursuant to this Agreement.

(2) Any and all damage or deficiency resulting from any misrepresentations, breach of warranty, nonfulfillment of any agreement or obligation assumed or required to be assumed by Buyer under this Agreement, or from any misrepresentation in or omission from any certificate or other instrument furnished to Seller pursuant to this Agreement, or in connection with any of the transactions contemplated hereby.

(3) Any and all actions, suits, proceedings, damages, assessments, judgments, costs and expenses incident to any of the foregoing provisions, including reasonable attorneys' fees incurred by Seller as the result of Buyer's failure or refusal to defend or compromise any claim.

(b) If any claim or liability shall be asserted against Seller which would give rise to a claim by Seller against Buyer for indemnification under the provisions of this section, Seller shall promptly notify Buyer of the same and Buyer shall, at its own expense, compromise or defend any such claim; provided that Seller may, at its own cost and expense, join and cooperate with Buyer in the defense or compromise of such claim.

8.4 *Risk of Loss.* The risk of any loss, damage or destruction to any of the Purchased Assets to be transferred to Buyer pursuant to this Agreement from fire, casualty or other cause shall be borne by Seller at all times prior to the Closing Date. Upon the occurrence of any loss or damage to any material part of the Purchased Assets as a result of fire, casualty or other causes prior to Closing, Seller shall notify Buyer of same in writing immediately, stating with particularity the extent of loss or damage incurred, the cause thereof, if known, and the extent to which restoration, replacement and repair of the Assets lost or destroyed will be reimbursed under any insurance policy with respect thereto. Subject to the provisions hereof, Buyer shall have the option (but not the obligation) exercisable within ten (10) days after receipt of such notice from Seller, to elect to consummate the Closing and accept the Intangible Assets in its "then" condition, with a mutually acceptable adjustment to the purchase price for the loss or destruction of any of the Purchased Assets. In the event Buyer elects to consummate the Closing, Seller shall assign to Buyer all rights under any insurance claim covering the loss and pay over to Buyer any proceeds under any such insurance policy theretofore received by Seller with respect thereto.

9. Termination:

9.1 *Right to Terminate Before Closing.* This Agreement may be terminated at any time prior to Closing, and the transactions contemplated hereby may be abandoned at any such time,

- (1) by mutual consent of Buyer and Seller;
- (2) unilaterally by Buyer or Seller, if there has been a default by the other party in any material respect in the performance of any covenant herein, and such default has not been cured by the Closing Date;

Appropriate Dispute Resolution (ADR) Information Sheet

Superior Court of California, San Mateo County

Appropriate Dispute Resolution (ADR) is a way of solving legal problems without going to trial. All types of disputes can be resolved through ADR. The Court encourages you to use some form of ADR before you proceed to trial. The most popular form of ADR is mediation. The Multi-Option ADR Project can help you choose the option that is best for your case and refer you to an experienced ADR provider.

What are the Advantages of Using ADR?

- ☐ **Faster** – Traditional litigation can take years to complete but ADR usually takes weeks or months.
- ☐ **Cheaper** – Parties can save on attorneys' fees and litigation costs.
- ☐ **More control & flexibility** – Parties choose the ADR process most appropriate for their case.
- ☐ **Cooperative & less stressful** – In mediation, parties cooperate to find a mutually agreeable solution to their dispute.

What are the Disadvantages of Using ADR?

- ☐ **You may go to Court anyway** – If you can't resolve your case using ADR, you may still have to spend time and money on your lawsuit.
- ☐ **Not free** – The neutrals charge fees (except in judicial arbitration), but you may qualify for financial aid.

Are There Different Kinds of ADR?

- ☐ **Mediation** – A neutral person (mediator) helps the parties communicate, clarify facts, identify legal issues, explore settlement options and agree on a solution that is acceptable to all sides.
- ☐ **Judicial Arbitration** – Is an informal hearing where a neutral person (arbitrator) reviews the evidence, hears arguments and makes a decision on your case. In non-binding judicial arbitration, parties have the right to reject the arbitrator's decision and proceed to trial. For more information regarding judicial arbitration, please see the attached sheet or call (650) 363-4896.
- ☐ **Binding Arbitration** – The parties agree ahead of time to accept the arbitrator's decision as final. Parties who choose binding arbitration give up their right to go to Court and their right to appeal the arbitrator's decision.
- ☐ **Neutral Evaluation** – A neutral person (evaluator) listens to the parties, asks them questions about their case, reviews evidence and may hear witness testimony. The evaluator helps the parties identify the most important legal issues in their case and gives them an analysis of the strengths and weaknesses of each side's case. Special neutral evaluation guidelines are available on the Court's website at www.sanmateocourt.org/adr.
- ☐ **Settlement Conference** – Although similar to mediation, the neutral (a judge) may take more control in encouraging parties to settle. Settlement conferences take place at the courthouse. All cases have a mandatory settlement conference approximately 2-3 weeks before the trial date. For questions regarding settlement conferences, call (650) 599-1076.

How Does Voluntary Mediation/Neutral Evaluation Work in San Mateo County?

- ☐ The person who files the lawsuit (the plaintiff) must include this ADR Information Sheet with the complaint when serving the defendants in the case.
- ☐ All the parties in your case will meet with a judge at your first Case Management Conference (CMC), which is scheduled within 120 days of the filing of the complaint. The judge will speak to you about your voluntary ADR options, encourage you to participate in ADR and ask you to meet with Court ADR staff.
- ☐ If you and the parties decide to use ADR, Local Rule 2.3(i)(3) states that you must file a *Stipulation and Order to ADR* with the Court Clerk's Office. This form lets the Court know both whom you have selected as your ADR neutral and the date of the ADR session.
- ☐ You and the other parties can find your own ADR neutral for the case or use a neutral who is on the Court's ADR Panel.
 - ☐ For a list of Court ADR neutrals and their resumes, visit the Court's website at www.sanmateocourt.org/adr. (Go to "Civil ADR Program," "Civil ADR Program Panelist List" and click on any provider's name.)
- ☐ If you decide to do ADR and file a *Stipulation and Order to ADR* at least 10 days before your first CMC, the Court will postpone (continue) your first CMC for 90 days to allow the parties time to resolve the case using ADR. The Clerk's Office will send you a notice with your new CMC date.
- ☐ Within 10 days of completing ADR, you and your lawyer (if you have one) must fill out either an Evaluation By Attorneys or Client Evaluation and mail or fax it to the ADR offices at: 400 County Center, Courtroom 2F, Redwood City, CA 94063; (650) 599-1754 (fax).

Do I Have to Pay to Use ADR?

- ☐ Yes. You and the other parties will pay the ADR neutral directly. However, you do not have to pay the Court for either judicial arbitration or for the mandatory settlement conference that is scheduled before your trial.
- ☐ If you expect to have difficulty paying the ADR provider's fee, ask the ADR Coordinator for a financial aid application. You will need to fill out this application to determine whether or not you qualify for financial assistance.

In San Mateo County, parties also can take their case to the community mediation organization, the Peninsula Conflict Resolution Center ("PCRC"), and have their case mediated by PCRC's panel of trained and experienced volunteer mediators. To learn more about programs and fees, contact PCRC's Manager of Mediation Programs at (650) 513-0330.

Appropriate Dispute Resolution Information Sheet

Judicial Arbitration, one of the available Appropriate Dispute Resolution (ADR) options, differs from other options in that it is usually court-ordered, unless the parties agree to it.

What are the Advantages of Using Judicial Arbitration?

- ❑ **Free** - Parties do not have to pay for the arbitrator's fee.
- ❑ **Fast** - Parties are usually given 120 days from the date of the Case Management Conference (CMC) to have their case heard by the appointed arbitrator.
- ❑ **Informal** - The hearing is conducted by an arbitrator who issues an award. (Arbitrators are usually attorneys who practice or have practiced in San Mateo County.)

What are the Disadvantages of Using Judicial Arbitration?

- ❑ The award issued by the arbitrator is not always binding (unless the parties stipulated otherwise). If any party requests a trial within 30 days of the award, the award becomes void and the case continues on to trial.

How Does Judicial Arbitration Work in San Mateo County?

- ❑ During your first CMC hearing, the judge may decide to order you to judicial arbitration. You will then receive instructions and a proposed list of arbitrators in the mail.
- ❑ Parties also may agree to judicial arbitration by filing a *Stipulation and Order to ADR* form at least 10 days before the first CMC. The CMC clerk will then vacate your CMC hearing and send the case to arbitration. The parties will receive instructions and a proposed list of arbitrators in the mail.
- ❑ Parties can stipulate (agree) to an arbitrator on the Court's Judicial Arbitration Panel list. Otherwise, proposed names of arbitrators will be sent to the parties.
 - For a list of arbitrators, their resumes, and other information, visit the Court's website at www.sanmateocourt.org/adr. (Go to "Judicial Arbitration Program," "Judicial Arbitration Panelist List" and click on the arbitrator's name. To view the arbitrators by subject matter, click on "Judicial Arbitration Panelists by Subject Matter.")
- ❑ After the arbitration hearing is held and the arbitrator issues an award, the parties have 30 days to turn down/reject the award by filing a Trial de Novo (unless they have stipulated that the award would be binding).
- ❑ If the parties reject the award and request a Trial de Novo, the Court will send out notices to the parties of the Mandatory Settlement Conference date and the trial date.
- ❑ Following your arbitration hearing, you will also receive an evaluation form to be filled out and returned to the Arbitration Administrator.

PART 2. CASEFLOW MANAGEMENT

Rule 2.3 New Case Management

This rule applies to all civil cases with the exception of the following: (1) juvenile court matters; (2) probate matters; (3) family law matters; and (4) civil cases which, based on subject matter, have been assigned to a judge, or to more than one judge, for all purposes. For rules applicable to these exceptions, see CRC 2.20, 2.30, 2.570-2.573, 2.585, 2.810-2.819, 2.830-2.834, 3.650, 3.700-3.735, 3.920-3.927, 3.1370, 3.1380-3.1385, 3.1590-3.1591, 3.1806, 5.590, 10.900-10.901, 10.910, 10.950-10.953.

(a) Purposes and Goals

The purposes and goals of the San Mateo Superior Court Civil Case Management System effective January 1, 1992 are:

- (1) To manage fairly and efficiently, from commencement to disposition, the processing of civil litigation.
- (2) To prepare the bench and bar for full implementation of the Trial Court Delay Reduction Act (A.B. 3820) on July 1, 1992; and
- (3) To encourage parties to agree to informal discovery early in the life of the case, to use standard form interrogatories and to promote alternative dispute resolution. ~~Nothing in these rules is intended to prevent the parties from stipulating to an earlier intervention by the court by way of a case management conference, settlement conference or any other intervention that seems appropriate.~~
- (4) In accordance with Sections 3.710-3.715, 10.900, 10.901 of the California Rules of Court, Local Rule 2.3 is adopted to advance the goals of Section 68603 of the Government Code and Section 2.1 of the Standards of Judicial Administration recommended by the Judicial Council.

(b) Team concept

Beginning January 1, 1994 civil litigation will be managed primarily by a team of two program judges.

The clerk will assign the case to a program judge at the time the complaint is filed. The case shall be managed by the assigned program judge until disposition or until the case is assigned to a trial department.

Superior Court of California, County of San Mateo

(c) Cases filed after July 1, 1992

Upon the filing of a complaint after July 1, 1992, the case shall be subject to all of the civil case management system rules set forth below. Cases filed before July 1, 1992 shall also be subject to these rules except for subsection (d) (Filing and service of pleadings; exceptions).

(d) Filing and service of pleadings; exceptions.

(1) Complaint: Except as provided in paragraph 5 below, plaintiff shall within 60 days after filing of the complaint serve the complaint on each defendant along with:

- (A) A blank copy of the Judicial Council Case Management Statement;
- (B) A copy of Local Rule 2.3;
- (C) The Notice of Case Management Conference.

If a matter has been submitted to arbitration pursuant to uninsured motorist insurance, the plaintiff shall file a notice to that effect with the court at the time of filing the complaint, or at the time the matter is submitted. The notice shall include the name, address and telephone number of the insurance company, along with the claim number or other designation under which the matter is being processed.

(2) Cross-complaint: Except as provided in paragraph (5) below, each defendant shall within 30 days after answering the complaint file any cross-complaint (within 50 days if compliance with a governmental claims statute is a prerequisite to the cross-complaint) not already served with the answer under Code of Civil Procedure section 428.50 and serve with that cross-complaint:

- (A) A blank copy of the Judicial Council Case Management Statement;
- (B) A copy of Local Rule 2.3;
- (C) The Notice of Case Management Conference.

(3) Responsive pleadings: Except as provided in paragraph 5 below, each party served with a complaint or cross-complaint shall file and serve a response within 30 days after service. The parties may by written agreement stipulate to one 15-day extension to respond to a complaint or cross-complaint.

If the responsive pleading is a demurrer, motion to strike, motion to quash service of process, motion for a change of venue or a motion to stay or dismiss the case on forum non conveniens grounds, and the demurrer is overruled or the motion denied, a further responsive pleading shall be filed within 10 days following notice of the ruling unless otherwise ordered. If a demurrer is sustained or a motion to strike is granted with leave to amend, an amended complaint shall be filed within 10 days following notice of the ruling unless otherwise ordered. The court may fix a time for filing pleadings responsive to such amended complaint.

(4) Proofs of service: Proofs of service must be filed at least 10 calendar days before the case management conference.

(5) Exceptions for longer periods of time to serve or respond:

Superior Court of California, County of San Mateo

(A) Time to serve may be extended for good cause: Upon ex parte application to the court, *in compliance with California Rules of Court 3.1200–3.1206*, within 60 days of the date the complaint was filed, plaintiff may obtain an extension of time to serve to a date on or before the case management conference, if good cause is shown by declaration of counsel (or plaintiff filing in propria persona). An additional extension of the time to serve (an initial extension if the application is by a cross-complainant) may be obtained upon written application to the court upon good cause shown before the prior extension has expired. The filing of a timely application for an extension will automatically extend the time to serve by five days, whether or not the application is granted.

Good cause will be found if the declaration shows that the action is filed against a defendant who is an uninsured motorist, and the plaintiff's claim is subject to an arbitration provision in plaintiff's contract of insurance. In determining good cause in other cases, the court will give due consideration to any standards, procedures and policies which have been developed in consultation with the bar of the county through the bench-bar trial court delay committee.

(B) Additional extension of time if uninsured motorist arbitration is pending. In addition to any extension of time obtained pursuant to subsection (5)(A) above, if an uninsured motorist arbitration is still pending between plaintiff and plaintiff's insurance carrier 30 days prior to the expiration of the extension, plaintiff may obtain an additional extension of time by an ex parte application supported by a declaration showing the scheduled or anticipated date of the arbitration hearing and the diligence of plaintiff in pursuing arbitration.

(C) Time to respond may be extended for good cause: Before the time to respond has expired, any party served with a complaint or cross-complaint may, with notice to all other parties in the action, make ex parte application to the court upon good cause shown for an extension of time to respond. The filing of a timely application for an extension will automatically extend the time to respond by five days, whether or not the application is granted.

(e) Case management conference

(1) Date of conference: Unless the parties stipulate in writing and the court orders that the case be earlier referred to arbitration, a case management conference will be set by the clerk at the time the complaint is filed. (Government Code 68616)

(2) Attendance at the case management conference is mandatory for all parties or their attorneys of record.

(3) Plaintiff must serve the Notice of Case Management on all parties no later than 30 calendar days before the conference, unless otherwise ordered by the Court.

(4) The Court will deem the case to be at-issue at the time of the conference (Reference: CRC 3.714(a)) absent a showing of extraordinary circumstances.

(5) The conference may be set at an earlier date by order of the Court or by written stipulation of the parties.

(6) Designation of trial counsel: Trial counsel and, except for good cause shown, back-up trial counsel, must be specified at the case management conference. If such counsel is not

Superior Court of California, County of San Mateo

specified, relief from the scheduled trial date may not be obtained based upon the ground that counsel is engaged elsewhere.

(7) Conference orders: At the initial conference, the program judge will make appropriate pre-trial orders that may include the following:

- (A) An order referring the case to arbitration, mediation or other dispute resolution process;
- (B) An order transferring the case to the limited jurisdiction of the superior court;
- (C) An order assigning a trial date;
- (D) An order identifying the case as one which may be protracted and determining what special administrative and judicial attention may be appropriate, including special assignment;
- (E) An order identifying the case as one which may be amenable to early settlement or other alternative disposition technique;
- (F) An order of discovery; including but not limited to establishing a discovery schedule, assignment to a discovery referee, and/or establishing a discovery cut-off date;
- (G) An order scheduling the exchange of expert witness information;
- (H) An order assigning a mandatory settlement conference date pursuant to Local Rule 2.3(k) and 2.4; and
- (I) Other orders to achieve the interests of justice and the timely disposition of the case.

(8) CourtCall Telephonic Appearances

(A) Reference CRC, Rule 3.670

(B) Procedure. Telephonic appearances through the use of CourtCall, an independent vendor, are permitted at case management conference hearings. A party wishing to make a telephone appearance must serve and file a Request for Telephone Appearance Form with CourtCall not less than five court days prior to the case management conference hearing. Copies of the Request for CourtCall Appearance form and accompanying information sheet are available in the Clerk's office. There is a fee to parties for each CourtCall appearance and fees are paid directly to CourtCall. CourtCall will fax confirmation of the request to parties.

(C) On the day of the case management conference hearing, counsel and parties appearing by CourtCall must check-in five minutes prior to the hearing. Check-in is accomplished by dialing the courtroom's dedicated toll-free teleconference number and access code that will be provided by CourtCall in the confirmation. Any attorney or party calling after the check-in period shall be considered late for the hearing and shall be treated in the same manner as if the person had personally appeared late for the hearing.

Superior Court of California, County of San Mateo

(D) At a case management conference, parties may be referred to an appropriate dispute resolution ("ADR") process (e.g., mediation, binding arbitration or neutral evaluation). If parties are referred ADR, they must redial the dedicated toll-free teleconference number immediately following their case management conference appearance and use a second CourtCall access code to telephonically appear at the ADR referral meeting with ADR staff. If a case has been referred to ADR, a party's case management conference appearance is not complete until they have also telephonically appeared at the mandatory ADR referral. If parties are referred to judicial arbitration, they do not have to appear at the ADR referral.

(f) Case Management Statement

At least 15 calendar days before the scheduled case management conference, each party shall file with the court and serve on all other parties a completed Judicial Council Case Management Statement. If the case is set for further case management conference hearing(s), all parties must file updated Case Management Statements 15 (fifteen) calendar days prior to the scheduled hearings(s).

(g) Appropriate Dispute Resolution, ADR, Policy Statement

The Court finds it is in the best interests of parties to litigation to participate in appropriate dispute resolution procedures, including but not limited to mediation, neutral evaluation, private or judicial arbitration, voluntary settlement conferences, and the use of special masters and referees. Therefore, all parties shall stipulate to, or be referred to, an appropriate form of dispute resolution before being set for trial, unless there is good cause to dispense with this requirement. Parties are encouraged to stipulate to judicial arbitration or ADR prior to the case management conference.

(h) Stipulations to Arbitration

(1) If the case is at issue, and all counsel and each party appearing in propria persona stipulate in writing to judicial arbitration prior to the case management conference, discovery will remain open following judicial arbitration. A written stipulation to judicial arbitration must be filed with the clerk and a copy immediately sent to the Master Calendar Coordinator at least 10 calendar days before the case management conference in order to avoid the need to appear at that conference. A written stipulation to arbitrate will be deemed to be without a limit as to the amount of the award unless it expressly states otherwise.

(2) It is the policy of this court to make every effort to process cases in a timely manner. Parties who elect or are ordered by the court to judicial arbitration must complete the arbitration hearing within the time frame specified by the court.

Parties who wish to continue the arbitration hearing after the jurisdictional time frame must submit a court provided form entitled "*Ex Parte Motion and Stipulation for continuance of Judicial arbitration Hearing*." Parties can obtain a copy of the form by contacting the court's judicial arbitration administrator [See Local Rule 10.1(d)(1)]. Continuances without adequate grounds will not be considered. A case management judge will either grant or deny the request for continuance. If the request is denied, the case may be assigned a trial date. If the request is granted, the judge will impose a new deadline by which the arbitration must be completed.

(3) Parties who wish to change their election from judicial arbitration to another form of ADR must file a "Stipulation and [Proposed] Order to [Mediation, Neutral Evaluation, etc.] in Lieu of [Court-Ordered] Judicial Arbitration" with the Clerk of the Court. The Stipulation must

Superior Court of California, County of San Mateo

state that parties have: (i) notified both the judicial arbitration and ADR coordinators; (ii) cancelled the judicial arbitration hearing; (iii) scheduled the ADR session within five months of the previously scheduled judicial arbitration hearing; and (iv) stipulated to a trial date, which is not more than six months from the previously scheduled judicial arbitration hearing.

(i) Stipulations to Private ADR

(1) If a case is at issue and all counsel and each party appearing in propria persona stipulate in writing to ADR and file a completed Stipulation and Order to ADR with the clerk of the court at least ten (10) calendar days before the first scheduled case management conference, that conference shall be continued 90 days. The court shall notify all parties of the continued case management conference.

(2) If counsel and each party appearing in propria persona are unable to agree upon an appropriate ADR process, they shall appear at the case management conference.

(3) Following an appearance at a case management conference hearing, parties shall, within 21 calendar days, file a completed Stipulation to ADR and Proposed Order identifying the name of the ADR provider, date of ADR session and the names of those who will be in attendance at the ADR session. The completed Stipulation to ADR and Proposed Order shall be filed with the court by plaintiff's counsel. The parties, through counsel, if represented, shall confer with the court's Multi-Option ADR Project (M.A.P.) staff if they cannot agree on a provider. Plaintiff's counsel, shall additionally, send a copy of the completed Stipulation to the court's M.A.P. offices within the same 21-day period.

(4) All parties and counsel shall participate in the ADR process in good faith.

(5) To maintain the quality of ADR services the court requires cooperation from all parties, counsel and ADR providers in completing ADR evaluation forms, and returning these forms to the M.A.P. offices within 10 calendar days of the completion of the ADR process.

(6) ADR Program Complaint Policy If mediation session participants have a concern about the mediation process or the conduct of a mediator affiliated with the court's program, the court encourages them to speak directly with the mediator first. In accordance with California Rules of Court §3.865 et seq., parties may also address written complaints, referencing the specific Rule of Court allegedly violated, to the Court's Civil ADR Program Coordinator. (For complete complaint procedure guidelines, see court web site: www.sanmateocourt.org/adr/civil)

(7) In accordance with the Code of Civil Procedure, section 1033.5(c)(4), the court, in its discretion, may allow the prevailing party at trial the fees and expenses of the ADR provider, unless there is a contrary agreement by the parties.

(j) Setting Short Cause Matters

If the parties agree that the time estimated for trial is 5 hours or less prior to the conference, a written stipulation shall be filed at least 10 calendar days before the case management conference in order to avoid the need to appear at that conference and a copy immediately sent to the Master Calendar Coordinator. In the absence of a stipulation, either party may file a motion to have the matter designated a "short cause" and set the case accordingly. All such matters shall be presumed short cause unless the contrary is established at the hearing on the motion.

All settlement conferences shall be subject to the requirements specified in Local Rule 2.4.

Reference: California Rule of Court, rule 3.138.

Superior Court of California, County of San Mateo

(a) At all settlement conferences, notwithstanding any other Rule:

(1) The attorney who will try the case or an informed associate with full authority to negotiate a settlement of the case shall personally attend.

(2) Any persons whose consent is required to authorize settlement shall personally attend; those parties that are corporations shall have in attendance an officer or other employee with authority to bind the corporation. Powers of attorney, oral or written, granting counsel settlement authority are unacceptable as a substitute for personal attendance at this conference. (3) With respect to any insured party, a representative of the insurance carrier with authority to settle which is meaningful considering the exposure to loss presented shall personally attend. If the claims representative in personal attendance has any limitation on his or her settlement authority, a representative of the carrier who has no such limitations shall be available to the court by telephone and shall remain available until released by the judge conducting the conference, regardless of the time of day at the location of that representative.

(4) Upon arrival at the department to which the conference has been assigned, counsel shall check in with the clerk and shall verify the attendance of those persons whose presence is required.

(5) Notwithstanding the provisions of CRC 3.1380(c), no later than five(5) court days before the date set for the settlement conference each party shall lodge with the office of the court administrator and serve on all other parties a written statement setting forth the following:

(C) An itemized list of special damages.

(D) In any case in which personal injury is claimed:

(ii) A description of the basis for and method of calculation of any claimed wage loss.

(E) The most recent demand and offer or a description of any other proposed settlement between or among the parties.

(6) All parties shall be prepared to make a bona fide offer of settlement.

(b) The personal attendance of any person who is required by these rules to be present may be excused only by the presiding judge upon application made prior to the day on which the conference is scheduled. Any such person whose attendance is excused must remain available by telephone until he or she has been excused by the judge conducting the conference regardless of the time of day at the location of that person.

Superior Court of California, County of San Mateo

(c) No conference may be continued without the consent of the presiding judge or, if known, the judge to whom the case has been assigned for conference.

(d) At all such conferences, the judge of the department to which the conference has been assigned shall first attempt to settle the case. If settlement discussions are inconclusive, the judge may adjourn the conference to a later date for further settlement discussions.

(e) Sanctions pursuant to CRC 2.30 shall be imposed for any violation of this rule. The minimum sanction imposed shall be \$150.00 payable to the court; sanctions payable to the court may be larger where appropriate and will be in addition to appropriate attorney fees and calendar changes.

Sanctions mandated hereby may be waived by the judge conducting the conference only upon an application showing good cause why sanctions should not be imposed.

Rule 2.7.5 Jury Instruction Conference

Before final argument and after submission to the trial judge of all proposed jury instructions, verdict and findings forms, a conference outside the presence of jurors will be held. Ordinarily, a reporter or recorder is not required at the commencement of such conference.

In the event the trial judge intends to give any instructions or use any form of verdict or findings on the court's own motion, such instructions, verdicts or findings should be delivered to counsel.

The trial judge will then discuss with counsel:

- (1) Whether any requested proposed instructions, verdicts or findings are patently inappropriate and will be voluntarily withdrawn;
- (2) Whether there is any patent omission of instructions, verdicts or findings which are appropriate and that may be given without objection;
- (3) Whether there is any other modification, namely those to which the parties will stipulate.

Counsel shall meet prior to this conference to discuss each other's jury instructions and classify them into (1), (2) and (3) above.

The foregoing unreported conference will generally result in clarification of the matters, and creation of three categories of instructions, verdicts or findings that may be withdrawn, given or modified.

Thereafter, the conference should be reported and the trial judge should confirm for the record the matters agreed upon. The trial judge should also specify those instructions, verdicts and findings forms the court proposes to give, refuse or modify, whether at the request of a party or on the court's own motion. The court will hear any objections to the foregoing and rule thereon.

The trial judge should sign each requested instruction and indicate the disposition thereof, all of which shall be thereafter filed by the clerk. If a requested instruction is withdrawn, counsel shall so indicate by writing "withdrawn" and signing or initialing such instruction.

CHAPTER 7. COMPLEX CASES

Rule 2.30 Determination of Complex Case Designation.

A. Decision of Complex Case to be Made by Presiding Judge

The Presiding Judge shall decide whether an action is a complex case within the meaning of California Rules of Court, Rule 3.400, subdivision (a), and whether it should be assigned to a single judge for all purposes. All status conferences or other hearings regarding whether an action should be designated as complex and receive a singly assigned judge shall be set in the Presiding Judge's department.

B. Provisional Designation.

An action is provisionally a complex case if it involves one or more of the following types of claims: (1) antitrust or trade regulation claims; (2) construction defect claims involving many parties or structures; (3) securities claims or investment losses involving many parties; (4) environmental or toxic tort claims involving many parties; (5) claims involving massive torts; (6) claims involving class actions; or (7) insurance coverage claims arising out of any of the claims listed in subdivisions (1) through (6).

The Court shall treat a provisionally complex action as a complex case until the Presiding Judge has the opportunity to decide whether the action meets the definition in California Rules of Court, Rule 3.400, subdivision (a).

C. Application to Designate or Counter-Designate an Action as a Complex Case.

Superior Court of California, County of San Mateo

Any party who files either a Civil Case Cover Sheet (pursuant to California Rules of Court, Rule 3.401) or a counter or joinder Civil Case Cover Sheet (pursuant to California Rules of Court, Rule 3.402, subdivision (b) or (c)), designating an action as a complex case in Items 1, 2 and/or 5, must also file an accompanying Certificate Re: Complex Case Designation in the form prescribed by the Court. The certificate must include supporting information showing a reasonable basis for the complex case designation being sought. Such supporting information may include, without limitation, a brief description of the following factors as they pertain to the particular action:

- (1) Management of a large number of separately represented parties;
- (2) Complexity of anticipated factual and/or legal issues;
- (3) Numerous pretrial motions that will be time-consuming to resolve;
- (4) Management of a large number of witnesses or a substantial amount of documentary evidence;
- (5) Coordination with related actions pending in one or more courts in other counties, states or countries or in a federal court;
- (6) Whether or not certification of a putative class action will in fact be pursued; and
- (7) Substantial post-judgment judicial supervision.

A copy of the Certificate Re: Complex Case Designation must be served on all opposing parties. Any certificate filed by a plaintiff shall be served along with the initial service of copies of the Civil Case Cover Sheet (pursuant to California Rules of Court, Rule 3.401), summons, and complaint in the action. Any certificate filed by a defendant shall be served together with the service of copies of the counter or joinder Civil Case Cover Sheet (pursuant to California Rules of Court, Rule 3.402, subdivision (b) or (c)) and the initial first appearance pleading(s).

D. Noncomplex Counter-Designation.

If a Civil Case Cover Sheet designating an action as a complex case and the accompanying Certificate Re: Complex Case Designation has been filed and served and the Court has not previously declared the action to be a complex case, a defendant may file and serve no later than its first appearance a counter Civil Case Cover Sheet designating the action as not a complex case. Any defendant who files such a noncomplex counter-designation must also file and serve an accompanying Certificate Re: Complex Case Designation in the form prescribed by this Court and setting forth supporting information showing a reasonable basis for the noncomplex counter-designation being sought.

Once the Court has declared the action to be a complex case, any party seeking the Presiding Judge's decision that the action is not a complex case must file a noticed motion pursuant to Section H below.

E. Decision by Presiding Judge on Complex Case Designation; Early Status Conference.

If a Civil Case Cover Sheet designating an action as a complex case and the accompanying Certificate Re: Complex Case Designation have been filed and served, the Presiding Judge shall decide as soon as reasonably practicable, with or without a hearing, whether the action is a complex case and should be assigned to a single judge for all purposes.

Upon the filing of a Civil Case Cover Sheet designating an action as a complex case and the accompanying Certificate Re: Complex Case Designation, the Clerk of the Court shall set a status conference at which the Presiding Judge shall decide whether or not the action is a complex case. This status conference shall be held no later than (a) 60 days after the filing of a Civil Case Cover Sheet by a plaintiff (pursuant to California Rules of Court, Rule 3.401) or (b) 30 days after the filing of a counter Civil Case Cover Sheet by a defendant (pursuant to California Rules of Court, Rule 3.402, subdivision (a) or (b)), whichever date is earlier.

Superior Court of California, County of San Mateo

Alternatively, in his or her sole discretion, the Presiding Judge may make the decision on complex case designation and single assignment, without a status conference, based upon the filed Civil Case Cover Sheet and accompanying Certificate Re: Complex Case Designation alone.

F. Notice.

The party who seeks a complex case designation or a noncomplex counter-designation must give reasonable notice of the status conference to the opposing party or parties in the action even if they have not yet made a first appearance in the action. Such notice of the status conference shall be given in the same manner as is required for ex parte applications pursuant to California Rule of Court, Rule 379.

G. Representations to the Court.

By presenting to the Court a Certificate Re: Complex Case Designation, an attorney or unrepresented party is certifying to the best of that person's knowledge, information, and belief, formed after reasonable inquiry under the circumstances:

- (1) That the complex case designation or noncomplex counter-designation is not being presented for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation;
- (2) That the claims, defenses, or other legal contentions referenced therein are warranted by existing law or by a non-frivolous argument for the extension, modification, or reversal of existing law or the establishment of new law;
- (3) That the statement of supporting information relevant to the complex case designation or noncomplex counter-designation have evidentiary support or are believed, in good faith, likely to have evidentiary support after a reasonable opportunity for further investigation or discovery; and
- (4) That there is a reasonable basis for that party's complex case designation or noncomplex counter-designation.

If, after notice and a reasonable opportunity to be heard, the Court determines that this subpart has been violated, the Court may impose an appropriate sanction upon the attorneys, law firms, or self-represented parties that have violated this subpart.

H. The Presiding Judge's Continuing Power.

With or without a hearing, the Presiding Judge may decide, on his or her own motion or on a noticed motion by any party, that a civil action is a complex case or that an action previously declared to be a complex case is not a complex case.
